Bursaries awarded

As part of a three-year sponsorship program with Dr. John McManaman, two qualifying members of the Codiac Storm Lacrosse Club who entered post secondary education this fall were recently presented with the 2010 Dr. John McManaman Bursary Awards. The bursaries, both valued at \$500, were presented to Will McNally, who has entered the engineering program at Memorial University in Newfoundland, and Brent Paradis, who is also studying engineering at Memorial. Pictured from the left are: Dr. John McManaman, Will McNally, Brent Paradis and Don Roper, president, Codiac Storm Lacrosse.
